

Tutors Who Care

FRANCHISE BROCHURE

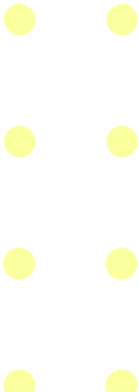

About Us

Established in Boca Raton, Florida, Tutors Who Care was founded by Evan Weisberg, who has over 15 years of experience in the tutoring industry. The company specializes in providing focused tutoring services, particularly for students with learning challenges and special needs. Driven by a mission to ensure all children have the skills they need to excel in school. The Floridian based tutoring company is now franchising to expand its compassionate approach and personalized education model. With a team of dedicated tutors who bring advanced degrees and extensive experience, the organization emphasizes tailored curriculums that cater to each student's unique learning style, ensuring they receive the support necessary to thrive academically.

Industry Statistics

The educational services in the U.S. have grown over the last five years, with projected growth of \$1.9 tr in 2024. - **Source: IBIS World**

Customer Base

The customer base for an educational support service primarily includes students of all ages, from elementary school to college, who seek additional help in specific subjects or test preparation. Parents often turn to these services to provide their children with personalized learning experiences, particularly for those with learning challenges or special needs. Schools and educators may also collaborate with educational support services to enhance their students' learning outcomes. Additionally, adult learners seeking to improve their skills or advance their careers represent an increasingly significant segment of the market. Overall, the diverse needs of this customer base highlight the growing demand for tailored educational support.
